If you apply for a specific refereed journal, let's recommend you the following book:

**Jung and Tarot: An Archetypal Journey**

By Dr. Robert Jung and Sallie Nichols

*Highly innovative work presenting a piercing interpretation of the tarot in terms of Jungian psychology. Through analogies with the humanities, mythology and the graphic arts, the significance of the cards is related to personal growth and development. The main arcana becomes a map of life, and the hero's journey becomes something that each individual can relate to the symbolism of the cards and therefore to the personal journey of growth and development through the many stages of life: especially helpful for those who have taken the PMAI and seek to understand their results more fully.*

**Discovering Yourself Through the Tarot Rose Cawin 1993-10-01**

This Jungian interpretation of Tarot symbolism uses the archetypes as mirrors for looking inside ourselves. Following Jung's typology, the 78 Tarot cards are divided into three archetypal groups and four regional groups. The book explores the psychological depth and insight of the tarot without the baggage of archetypal theory that has traditionally been associated with the tarot. The book includes: the magical and esoteric origin of the tarot; a study of tarot history and development; instructions for using the tarot for self-exploration and growth, including archetypal and psychological exercises and alternative spread configurations. Yet today, the vast majority of individuals who have not seriously studied the tarot have not experienced its full potential. The author explains the tarot to those who may want to learn to use it properly for the greatest good of all. Whether you are a beginning or an ardent student of the tarot, it contains a multitude of charts, spreads, and meditational exercises and alternative spread configurations. This book provides a real and meaningful experience with the tarot, opening the door to the journey of self-discovery in a unique and inspiring way.

**The Fool's Journey through the Tarot Major Arcana Noel Eastwood 2017-02-20**

Have you ever wondered whether you can learn from tarot cards? If the answer is 'yes' then this book will enlighten and inspire you. In the tradition of the Alchemist, Jonathan Livingston Seagull and The Wizard of Earthsea... Originally written for Tarot practitioners, this book has since been translated for the general audience amongst those committed to personal growth. This extensively edited 3rd Edition 2018 focuses on Follin's journey on the mythic's path to knowledge through his direct experience with each of the Major Arcana and the Tarot. This book is better than ever. If you are looking to make your own way through life, growing in maturity, wisdom and, ultimately, self acceptance. Follin's encounters with the Tarot Major Arcana not only illuminate the Major Arcana cards but tap into archetypes, symbols, and images that are deeply relevant to the reader's life. This book is written by professional voice actor, Jonathan Johns, you'll love him. This is book 1 of the Fool's Journey series. You can follow Follin on his journey through the Minor Arcana. The Fool's Journey Through the Cups - book 4 The Fool's Journey Through the Wands - book 5 Reviews "Absolutely great read. By far my favorite book on the tarot. This book takes the story to a whole other level. I really enjoyed the narration & will definitely listen more. I very much enjoyed the story. Definitely a must have." "I really enjoyed this audio book, and I really wish that the others in the series of the Fool's Journey were also available in audio format. "LM "Wonderful Fairytale version of the Major Arcana.Great listen with the kids, enjoyable & inspiring. Informative on a simple level with a great intro & quote for each card." MT "I thoroughly enjoyed listening to this book this morning. The narration is excellent and the content is amazing. It takes you to a deeper understanding of the Major Arcana, and it's not just for the initiated or a tarot expert. For anyone who is interested in tarot or is intrigued by tarot, this book is a great introduction." "I highly recommend this book to anyone who is interested in tarot.**
Follin (The Fool) on his journey through the Tarot Empire. Noël takes a unique (at least to me) method in bringing to the reader a story about a journey taken by Follin. I have always had a rudimentary understanding of the Tarot (mostly through my profession), but thanks to this well told story I have come to see more to the Tarot then I have ever seen before. I feel that Noël has presented a unique perspective on the twenty-two major arcana levels (which was quite a revelation). Each story unveils new revelations about life to Follin at the same time explaining (in easy to understand prose, much like the parables) the meaning and essence of each card. His ability to blend his own personal experience and insight, and Noël manages to blend them all together into a seamless story. The cards all have interesting connections to the Tarot Journey of my own personal tarot study work. I have made the study of the Tarot a personal growth exercise, and the Follin's journey has made me very happy to buy a copy as soon as it hits Amazon Kindle. Thank you for writing such tales, they have really helped me understand tarot better.

I have been really trying to grasp the essence of Tarot for a few years now, reading many books, inquiring and trying to make sure to honor your work through my own, and thanks again for bringing Follin to Life. AM I am really looking forward to the Cups book. I've looked to the Fools Journey 5 times, its starting to seem familiar. I'm starting to see the golden thread that comes up through the Major Arcana and have given the tarot a voice words cannot describe my admiration. I am so grateful you crossed my path to help me understand these complex subjects. thank you." The Myth of Meaning in the Work of C.G. Jung

Both in his professional and personal life, Jung was a master of metaphor. The metaphorical nature of his psychological concepts and theories is no accident. Jung's ideas about the collective unconscious, archetypes, and individuation are all deeply rooted in the language of metaphor. In this paper, I will examine the role of metaphor in Jung's thought and its implications for our understanding of the human psyche.

The Alchemical Visions Tarot

The Alchemical Visions Tarot by Taussig is a unique and powerful tool for personal transformation. The deck pulls together the best of two worlds: the alchemical and anthropological. It weaves together archetypal imagery with Jungian psychology to create a new and expanded vision of the tarot.

The Mythic Tarot Workbook

This is a very accessible book that introduces Jungian concepts to the tarot practitioner in a very digestable way. It is a must read for anyone interested in expanding their understanding of the tarot.

The Mythic Tarot Workbook by Follin is a must have for anyone interested in the tarot. The book is a comprehensive guide to understanding and using the tarot. It provides a step-by-step guide to understanding the cards, their meanings, and how to use them in readings.

The Tarot and the Archetypal Journey

The Tarot and the Archetypal Journey is a comprehensive guide to understanding the tarot and its relationship to the archetypal journey. It provides a detailed exploration of the archetypes and how they relate to the tarot. The book is a must read for anyone interested in the tarot and the archetypal journey.

The Myth of Meaning in the Work of C.G. Jung

In this paper, I will examine the role of metaphor in Jung's thought and its implications for our understanding of the human psyche. Jung believed that the human psyche is fundamentally symbolic, and that the symbols we use to express our experiences are deeply interconnected with our understanding of the world. In this paper, I will explore the role of metaphor in Jung's thought, and its implications for our understanding of the human psyche.

chapter, she explains one individual archetype, showing how it has evolved and then in fascinating detail lays out the unique characteristics, the defining graces, the life challenges, and other information to help you understand if you are part of this archetype family and if so, how you can fully tap into its power. She also offers tips and practical advice on how to fully engage with your archetypes. Learning which archetypes best describe you is just the beginning. You can then use this knowledge to make more conscious decisions about everything from careers to relationships, avoiding common pitfalls of your personality type while playing up your strengths. The result is a happier, more authentic you. It’s never too late to change your life by embracing your archetypes to the fullest. So are you a Rebel? An Artist? A Visionary? Join us . . . and find yourself.

Awakening the Heroes Within Carol S. Pearson 2012-07-31 "The heroic quest is about saying ‘yes’ to yourself and in so doing, becoming more fully alive and more effective in the world. . . . The quest is replete with dangers and pitfalls, but it offers great rewards: the capacity to be successful in the world, knowledge of the mysteries of the human soul, and the opportunity to find and express your unique gifts in the world.” In this bold and original work, Carol S. Pearson shows that the heroic quest isn’t just for certain people under special circumstances. Exploring the many heroic paths available to each of us, at every point in our lives, her innovative program enables us to live heroically by activating and applying twelve archetypes in our lives. This companion to the bestselling The Hero Within outlines twelve archetypal patterns that can aid inner development and the quest for wholeness. These archetypes are inner guides that can help us prepare for the journey, by learning how to become successful members of society; embark upon the quest, by becoming initiated into the mysteries of the human soul; and return to transform our lives as a result of claiming our uniqueness and personal power. Writing for individuals seeking to realize their full potential and professionals engaged in empowering others, Pearson shows how journeys differ by the age, gender, and cultural background of the seeker, and how archetypes help awaken the capacities of our psyches. A unique diagnostic test, the Heroic Myth Index, and exercise are included to help us understand and awaken our inner guides.

The Jungian Tarot Deck Robert Wang 2017-06-06 Dr. Robert Wang developed The Jungian Tarot as a “visual gateway into the complexities of Jungian psychology” to aid in the process of active imagination proposed by Carl Jung. The 22 Major Arcana represent Jungian archetypes of the collective unconscious. The figures are visually presented with archways and circular mandalas, which aid in meditation. The court cards depict family roles: father, mother, daughter and son. The deck is a companion to the Jungian Tarot Trilogy by Robert Wang.

Tarot for Your Self Mary K. Greer 2019-09-01 The tarot classic that first promoted the practice of reading the cards not just for others but for one’s own personal insight and self-transformation “Tarot for Your Self was ground-breaking when this book was first published and is still radically significant today.” —Benebell Wen, author of Holistic Tarot “Deciding to work with the Tarot is like embarking on a long, inward journey.” —Mary K. Greer This tarot classic by Mary K. Greer was the first book to promote reading the cards for your own insight, revolutionizing tarot through a combined emphasis on self-teaching techniques and personal growth. Tarot for Your Self uses meditations, rituals, spreads, mandalas, visualizations, dialogues, charts, affirmations, and other activities to help you establish your own relationship with the cards. All the information is presented using the best in traditional knowledge and know-how. This powerful breakthrough process will turn all your readings into truly transformative experiences. Tarot for Your Self covers interpretations for the major and minor arcana, reversed card meanings for all 78 cards, and enlightening information on your shadow/teacher cards.
